Performing Navigation

# What Is This Presentation About?

In this presentation you learn to:

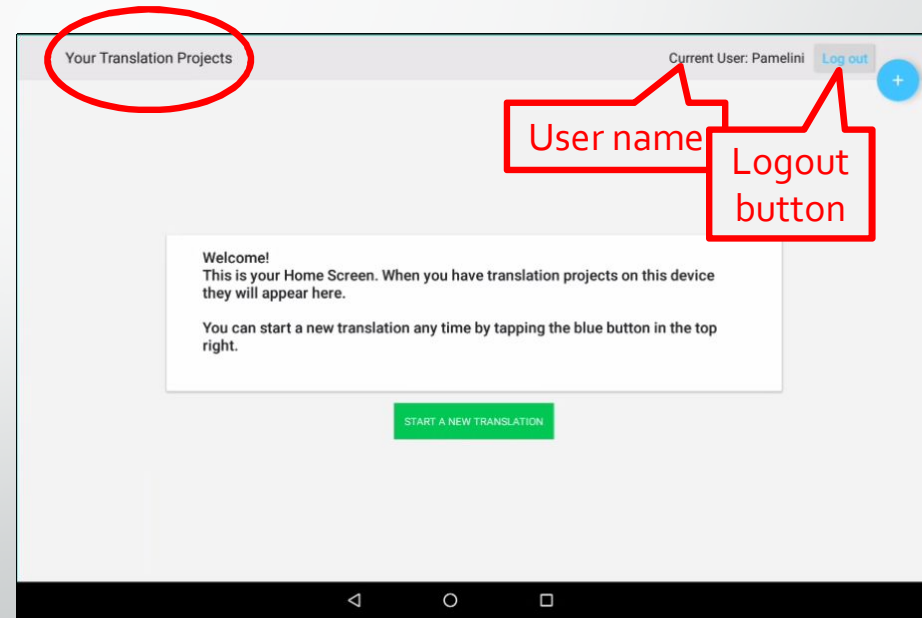

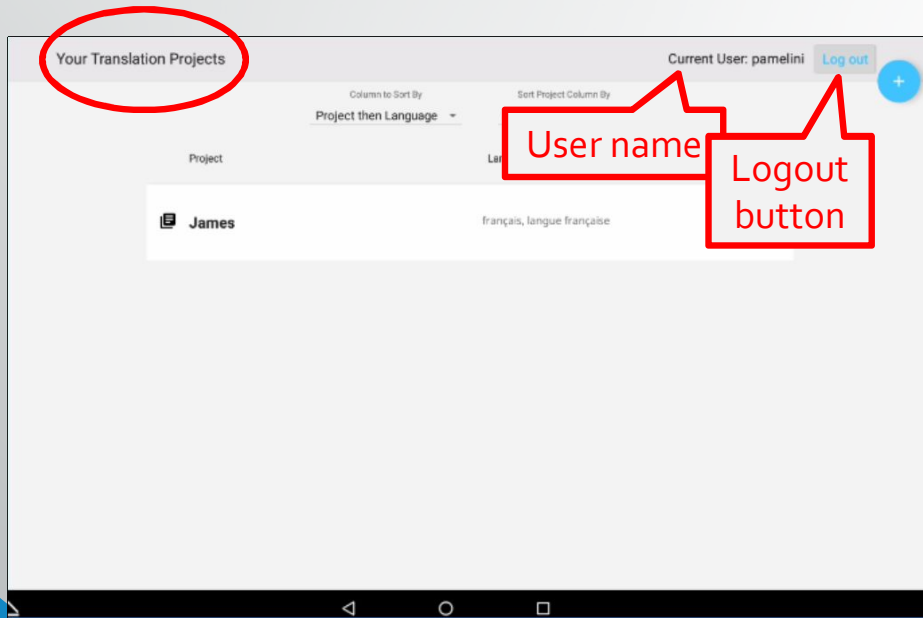

- Explain the difference between the Home screen and a Project screen
- Move between tS screens
- Describe the three views of a project
- Navigate within a project

*The Android robot is reproduced or modified from work created and shared by Google and used according to terms described in the Creative Commons 3.0 Attribution License.*

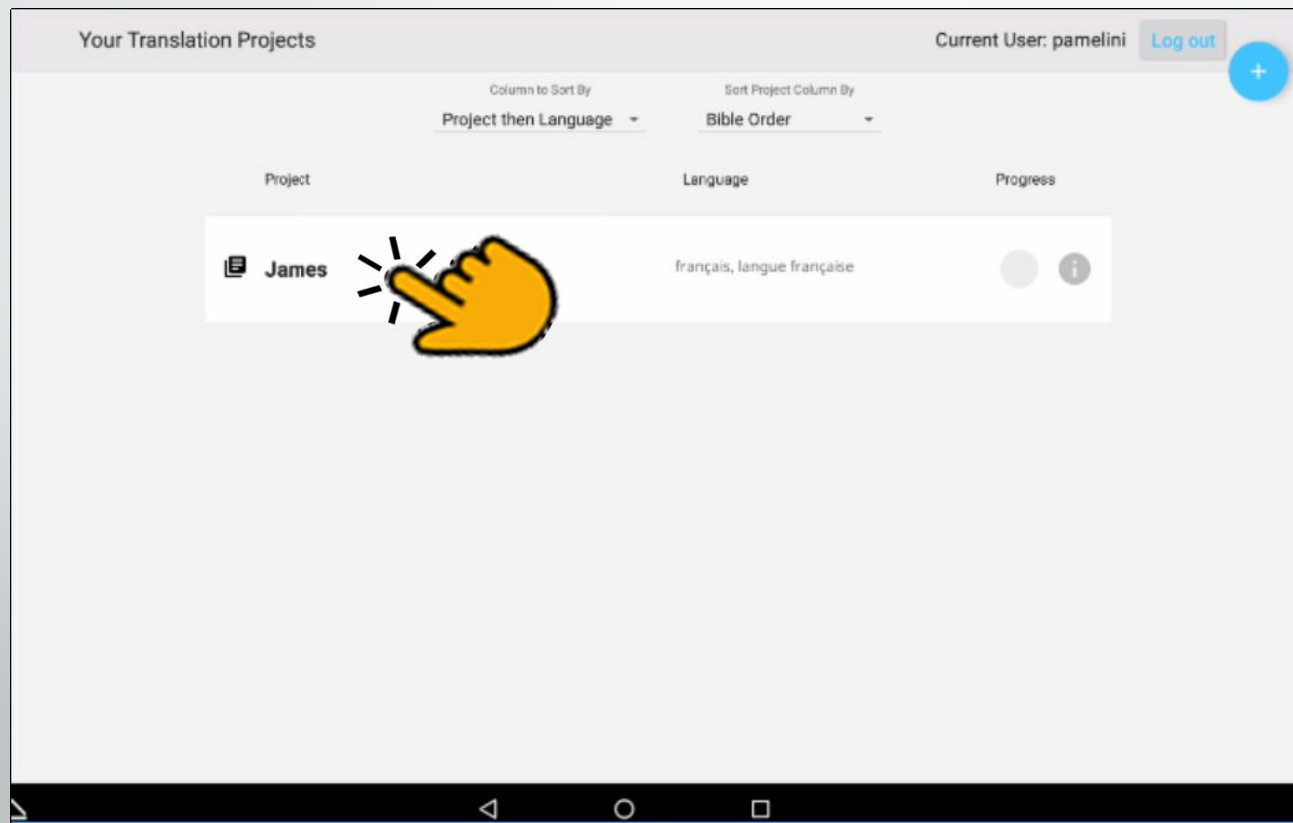

# Two Types of Screens

1. *Home*: Lists all of your projects, or welcomes you if you have no projects yet.

# Navigating to the Project Screen

- To navigate to the Project screen, tap the project you want to open:

# Two Types of Screens

## 2. *Project*: Your working area for a single project.

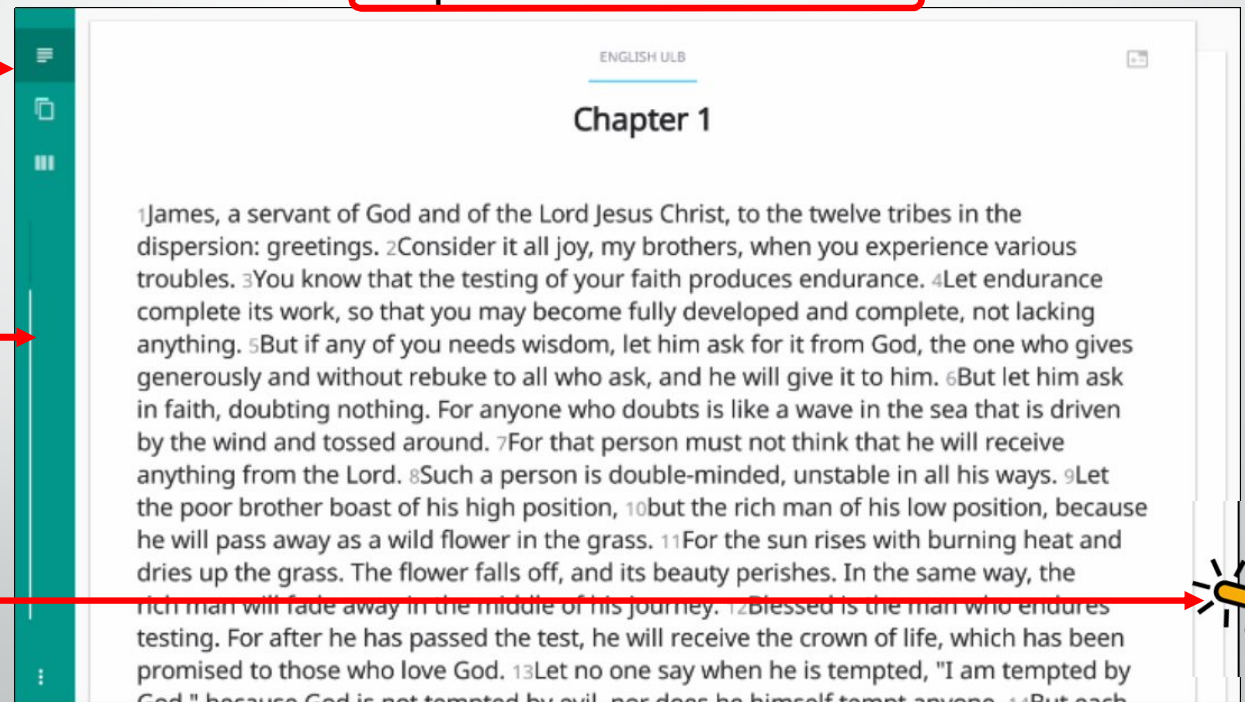

Has 3 different views:

### 1. *Chapter*

- Slider moves through the text

- Tap right to see translated text, if any

Chapter view of the source text

# Two Types of Screens

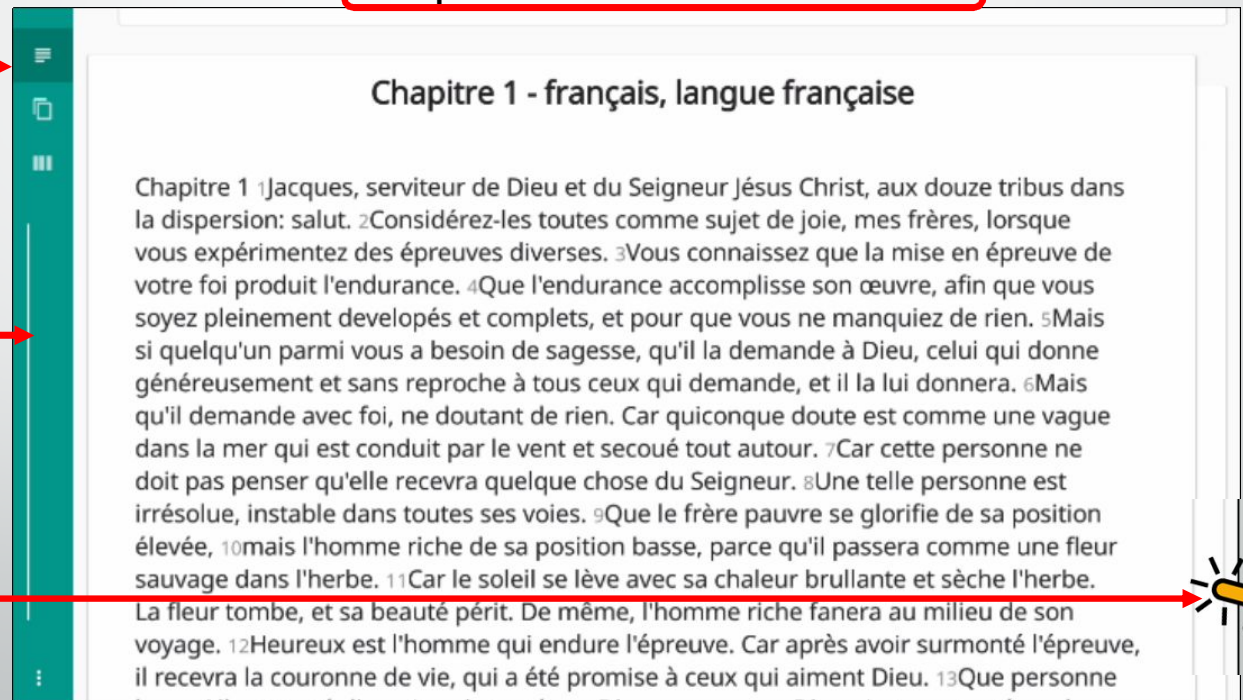

## 2. Project: Your working area for a single project.

Has 3 different views:

### 1. Chapter

- Slider moves through the text
- Tap right to return to source text.

Chapter view of the translated text

# Two Types of Screens

## 2. *Project*: Your working area for a single project.

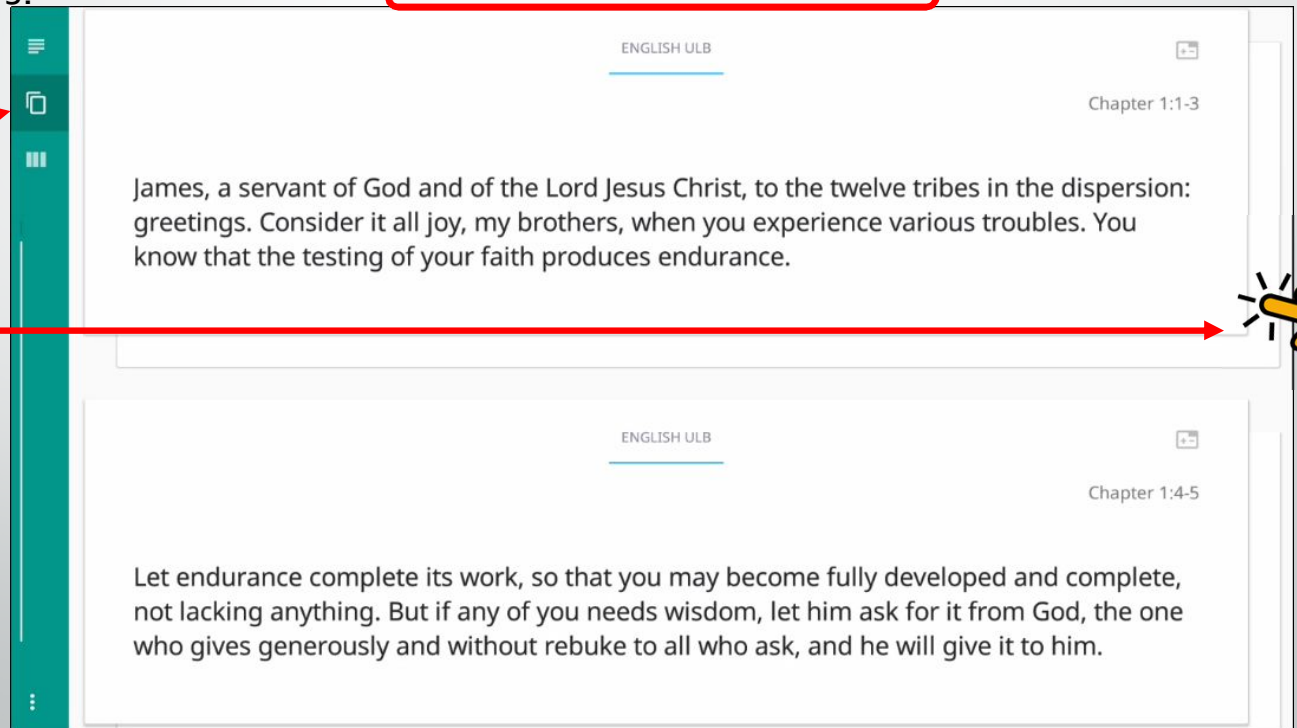

Has 3 different views:

1. *Chapter*

2. *Chunk*

Tap right to see  
translated text or to  
translate a chunk

Chunk view of the source text

# Two Types of Screens

## 2. *Project*: Your working area for a single project.

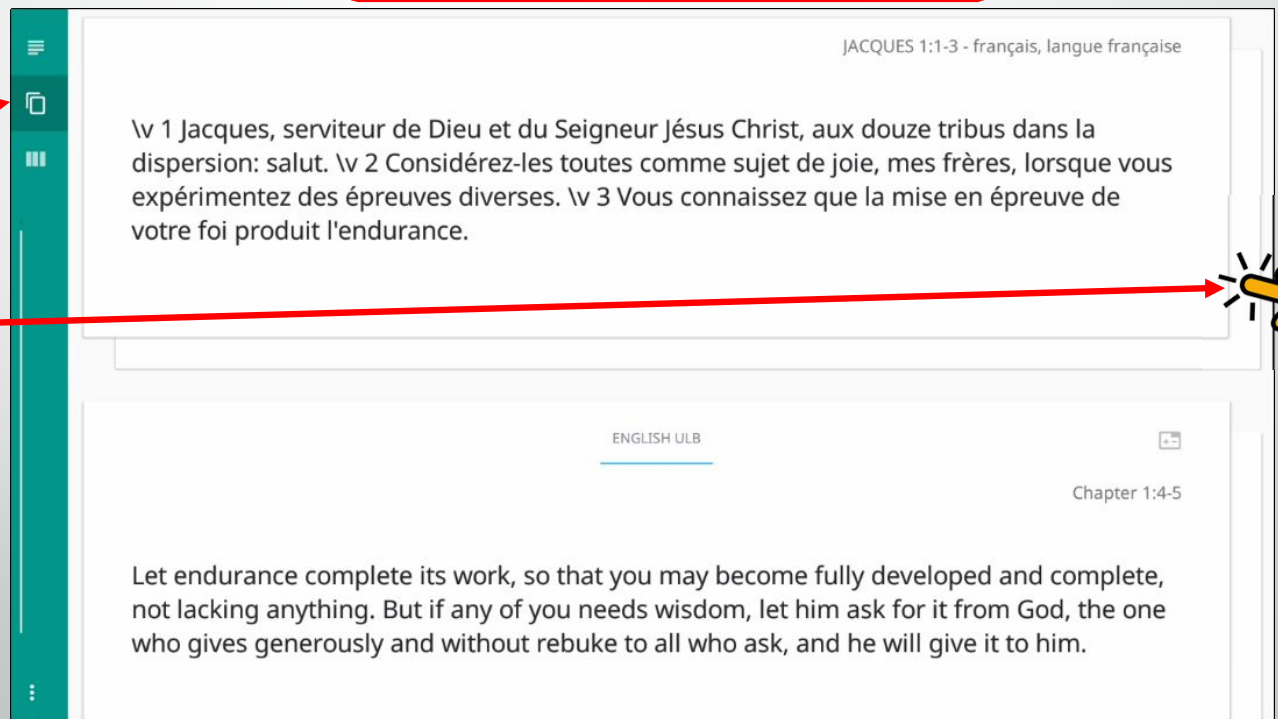

Has 3 different views:

1. *Chapter*

2. *Chunk*

Tap right to return to  
source text chunk

Chunk view of the translated text

# Two Types of Screens

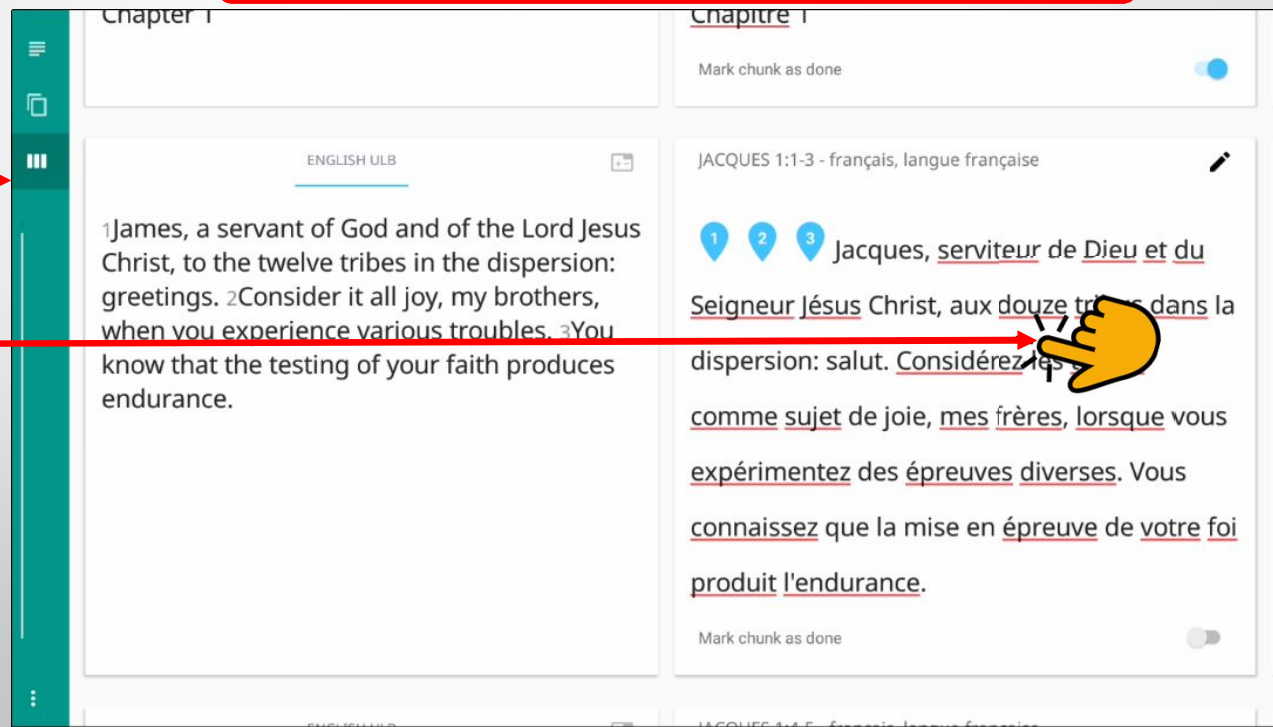

## 2. Project: Your working area for a single project.

Has 3 different views:

1. Chapter
2. Chunk
3. Check

- Check view with English ULB source text has helpful resources (swipe left to see)

Check view with source and translation side by side

# Two Types of Screens

## 2. Project: Your working area for a single project.

Has 3 different views:

1. Chapter
2. Chunk
3. Check

- Check view with English ULB source text has helpful resources (swipe left to see)

Check view with source, translation, and resources

The screenshot displays the Bible Project app interface for the 'Check' view of James 1:1-3 in French. The interface is divided into three main panels. The left panel shows the English ULB source text. The middle panel shows the French translation. The right panel shows a list of resources, including 'Connecting Statements' and 'Notes'. A red arrow points from the 'Check' view label to the 'Check' icon in the left sidebar. Another red arrow points from the 'Check view with English ULB source text has helpful resources (swipe left to see)' text to the 'Notes' tab in the right panel. A third red arrow points from the 'Check view with source, translation, and resources' text to the 'Notes' tab in the right panel. The 'Notes' tab is circled in red.

ENGLISH ULB

JACQUES 1:1-3 - français, langue française

1 James, a servant of God and of the Lord Jesus Christ, to the twelve tribes in the dispersion: greetings. 2 Consider it all joy, my brothers, when you experience various troubles. 3 You know that the testing of your faith produces endurance.

Jacques, serviteur de Dieu et du Seigneur Jésus Christ, aux douze tribus dans la dispersion: salut. Considérez-les toutes comme sujet de joie, mes frères, lorsque vous expérimentez des épreuves diverses. Vous connaissez que la mise en épreuve de votre foi produit l'endurance.

- Drag verse markers to correct locations.

Check view with source, translation, and resources

The screenshot displays the Bible Project software interface in the 'Check' view. The interface is divided into three main panels. The left panel shows the source text in English with verse markers. The middle panel shows the translation in French. The right panel shows a 'Connecting Statement' with a list of resources. A red arrow points from the 'Check' view option in the sidebar to the 'Check' view. Another red arrow points from the 'Drag verse markers to correct locations' instruction to the verse markers in the source text. A yellow hand icon points to the verse markers in the translation.

Check view with source, translation, and resources

The screenshot displays the Bible Project software interface in the 'Check' view. The interface is divided into three main columns. The left column, titled 'ENGLISH ULB', contains the English text of James 1:1-3. The middle column, titled 'JACQUES 1:1-3 - français, langue française', contains the French translation. The right column, titled 'NOTES WORDS QUESTIONS', contains a 'Connecting Statement' and a list of words and phrases extracted from the text. A red arrow points from the 'Check' view option in the left sidebar to the 'Check' view in the main content area. Another red arrow points from the 'Mark chunk as done' button at the bottom of the interface to the 'Mark chunk as done' button in the main content area.
