

Navigating in BTT Writer

1

The Home screen, labeled “Your Translation Projects”, shows all your projects.

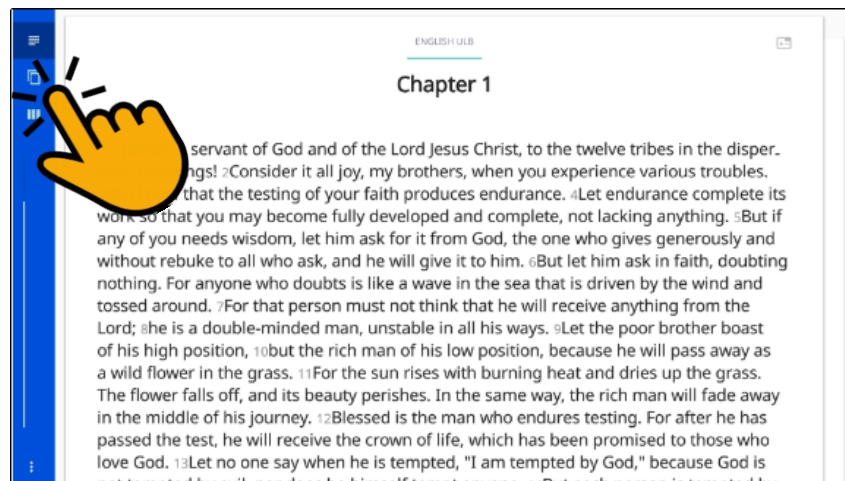

Tap the project you want to work on.

2

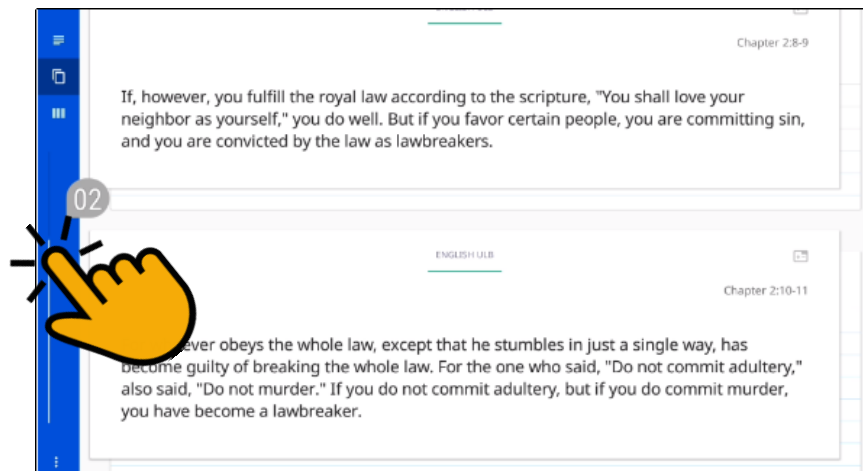

The project opens in read view.

Tap the Blind Edit icon (the middle one in the set of 3) to view the project in blind edit mode.

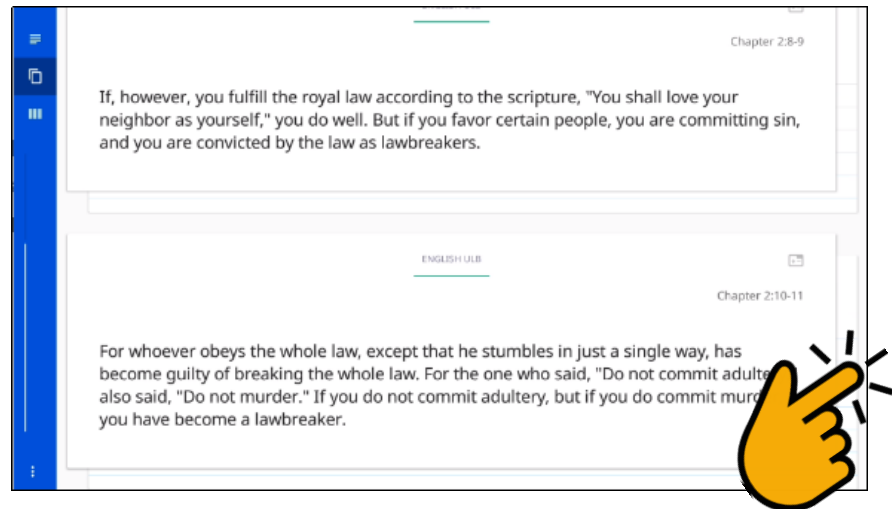

3

The book is now divided into chunks. Tap the slider at the left to scroll through the book.

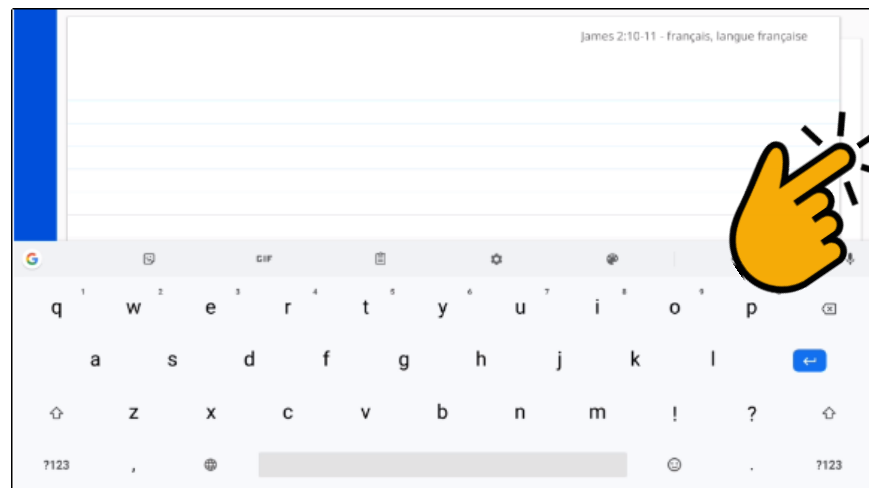

4

Tap the page that is behind the text.

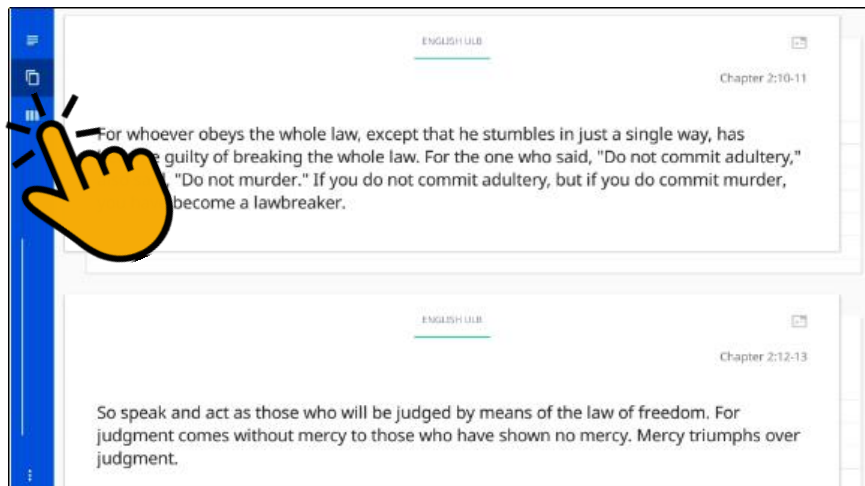

5

This displays a note card where you will type your translation. Tap the page behind the notecard.

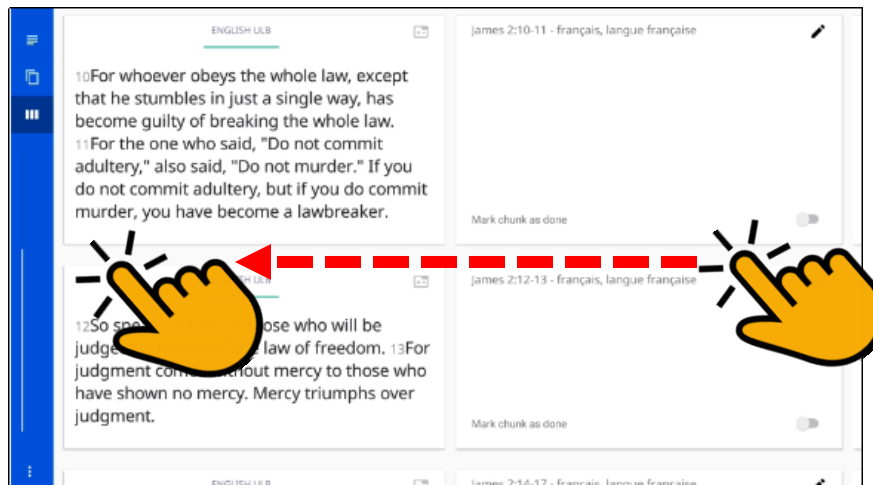

6

You have returned to the text. Tap the **Edit-Review** icon.

7

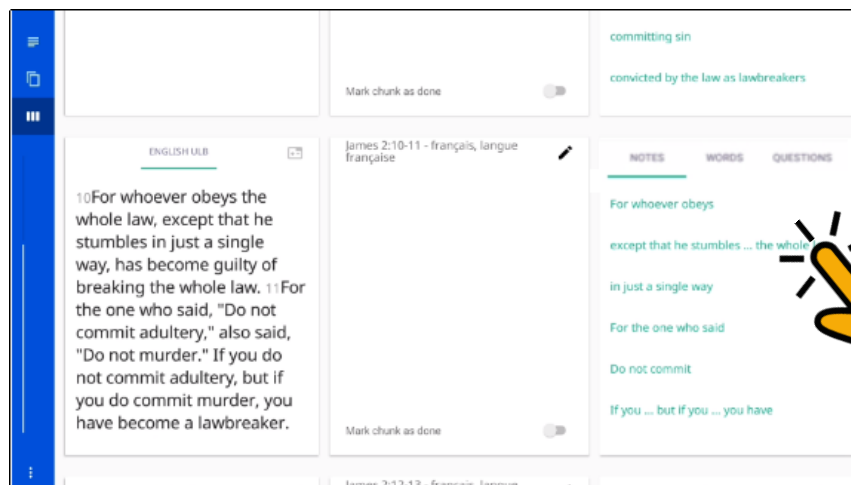

This displays the source and the translation side by side. Swipe the screen all the way to the left

8

In the Edit-Review mode you can see Bible resources. The notes tab is displayed.

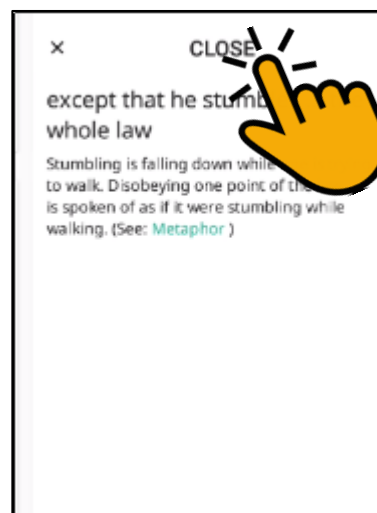

Tap a note to open it.

9

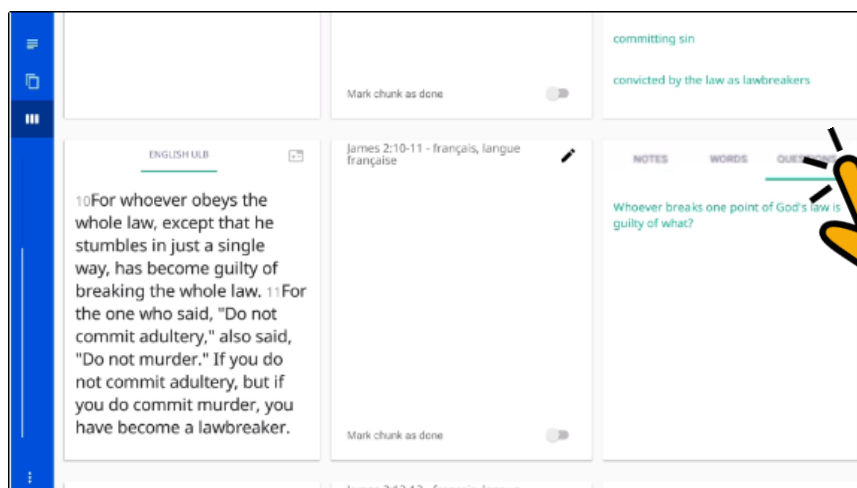

The note shows helpful information about some phrases or ideas in the chunk.

Tap **CLOSE**.

10

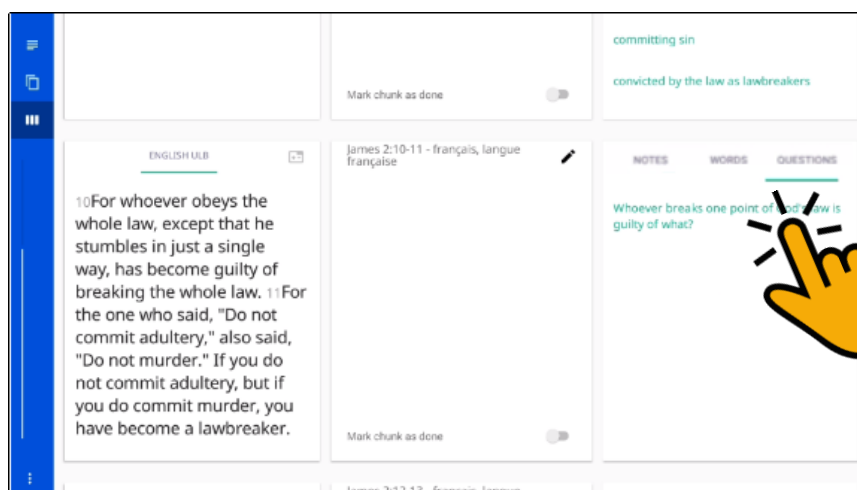

Tap the **QUESTIONS** tab.

11

The resource shows questions that someone should be able to answer by reading the translation if it is clear and accurate.

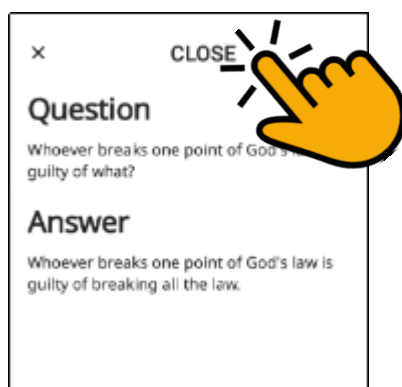

Tap a question.

12

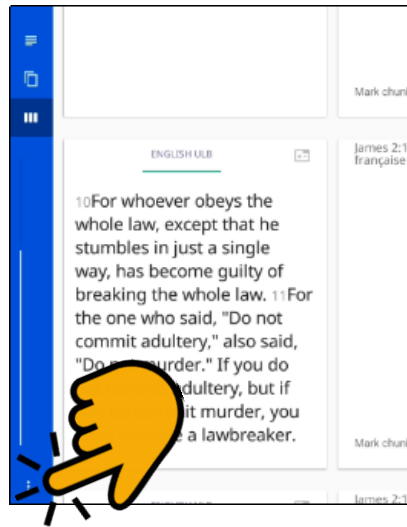

The resource displays the correct answer to the question.

Tap **CLOSE**.

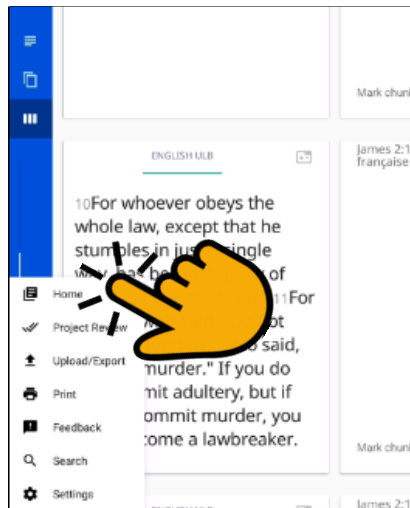

13

Tap the Options menu (3 dots).

14

Tap **Home**.

15

The program returns you to the Home screen labeled "Your Translation Projects".
