Performing Translation in Mother Tongue Projects

What Is This Presentation About?

In this presentation you learn to:

- ▶ Implement MAST steps with BTT Writer
- ▶ Perform translations
- ▶ Use BTT Writer resources
- ▶ Check and edit translations

As You Translate

- ▶ Pray that God would help you make an easily-understandable, Scripturally-accurate translation
- ▶ Translate everything that is in the source text language.
- ▶ Do not add anything that is not necessary for comprehension.
- ▶ Always do your translation according to the Translation Guidelines (https://read.bibletranslationtools.org/u/WycliffeAssociates/en_tm/dc23f839f6/#translation-guidelines).
- ▶ Ensure that you ascribe to the Statement of Faith (<https://bibleineverylanguage.org/statement-of-faith/>).
- ▶ Use the Translation Words, Translation Notes and Translation Questions (<https://bibleineverylanguage.org/translations>) to help you make a better translation. These resources are also available within BTT Writer, in the Check view of the project.

Performing Mother Tongue Translation

When you translate from English or a Gateway Language into a mother tongue, you:

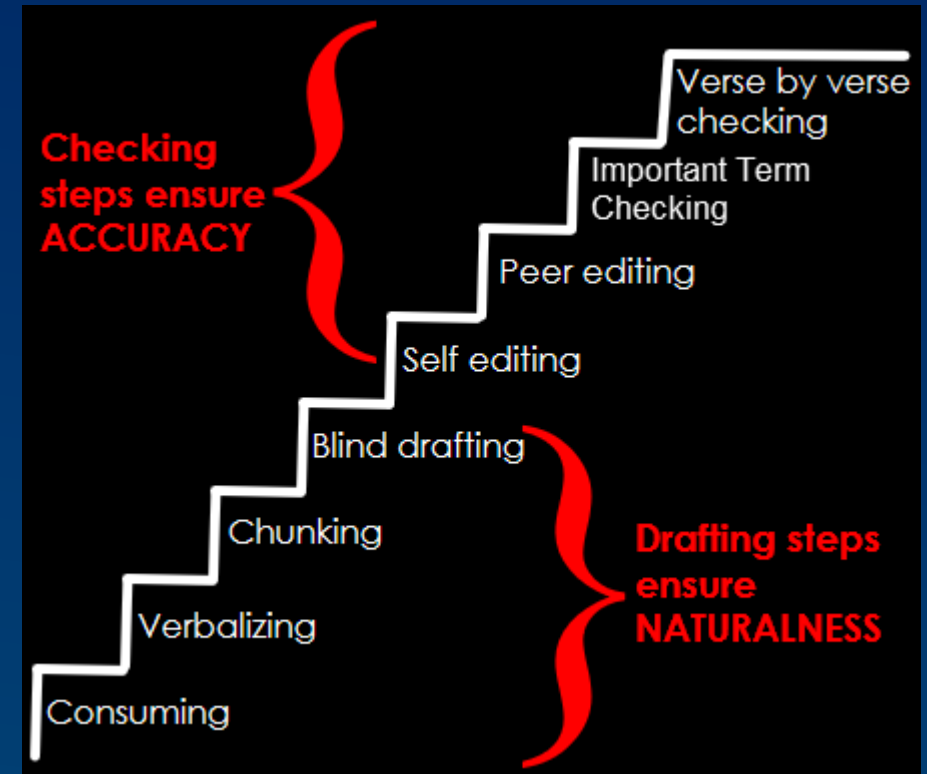

- ▶ Use the MAST process
- ▶ Work in a text project in BTT Writer

MAST and BTT Writer

MAST is a method that :

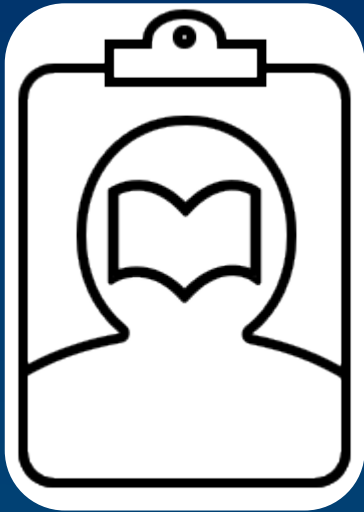

- ▶ Enables rapid and accurate translation of Bible text
- ▶ Utilizes native speakers to do translation
- ▶ Can be implemented with BTT Writer
- ▶ Consists of 8 steps

8 Steps of MAST

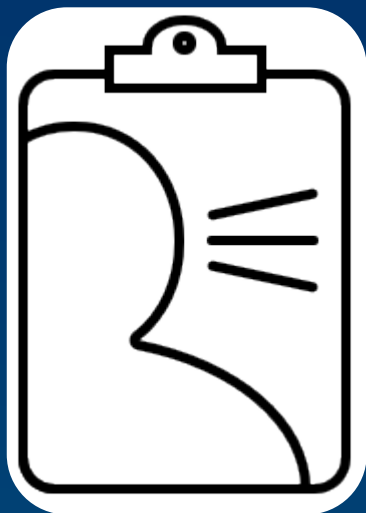

1. Consume: Read or listen to the entire chapter to be translated.

Implementing MAST in BTT Writer

Consume	In Chapter view, read the entire chapter in the source text.
Verbalize	Do offline
Chunk	Chunking has been done for you. In the Chunk view, read a chunk until you can retell it.
Blind Draft	In Chunk view, click the “paper” behind the source text and translate the chunk; you can’t see the source while you are translating.
Self Check	In Check view, compare translation draft with source and make corrections; use the resources; place the verse markers.
Peer Check	In Check view, have a partner compare translation draft with source and discuss corrections; use the resources to help resolve issues.
Important Terms Check	Check the resources for the key terms
Verse by Verse Check	Can use the resources for in-depth checking

James (brother of Jesus)

James was a son of Mary and Joseph. He was one of Jesus' younger half-brothers.

- Jesus' other half-brothers were named Joseph, Judas, and Simon.
- During Jesus' lifetime, James and his brothers did not believe that Jesus was the Messiah.
- Later, after Jesus was raised from the dead, James believed in him and became a leader of the church in Jerusalem.
- The New Testament book of James is a letter that James wrote to Christians who had fled to other countries to escape persecution.

MAST Step 8: Verse by Verse Check

1. Orally back-translate your translation into the language of the checker (may need an intermediate interpreter).
2. Checkers compare the meaning with source in their language.
3. Discuss suggested corrections; use the resources to resolve any disputes.
4. To edit a chunk, click the “Chunk Completed” toggle, and then click the pencil icon.

The screenshot shows the BTT Writer application interface. At the top, it says "BTT Writer" and "Current User: Pam (Logout)". The main area is split into two columns. The left column is titled "Chapter 1" and contains the text "English ULB" in a tab. The right column is titled "Chapitre 1" and contains the text "James 1:1-3 — français, langue française". Both columns show the same text in their respective languages. At the bottom right of the right column, there is a "Mark chunk as done" toggle switch, which is currently turned off. A red circle highlights a pencil icon in the top right corner of the right column, indicating where to click to edit the chunk.
